Dear Sir:

Pursuant to 37 C.F.R. § 1.97 and § 1.98, Applicant submits for consideration in the above-identified application the documents listed on the attached Form PTO-1449. Copies of the documents were previously submitted in an Information Disclosure Statement and/or cited in an Office Action, directed to the related application Serial Number 09/841,211, filed April 24, 2001. Therefore, only copies of the foreign prior art and non-patent references are enclosed herewith (the first page of the U.S. patents are also enclosed). This protocol conforms with 37 C.F.R. § 1.98(d) and M.P.E.P. 609(A)(2). Also enclosed is a copy of a translated foreign office action, which gives short comments on those foreign prior art that have no abstract. The Examiner is requested to make these documents of record in the application.

This Information Disclosure Statement is submitted:

- ☒ With the divisional application; accordingly, no fee or separate requirements are required.
- ☐ Before the mailing of a first Office Action after the filing of a Request for Continued Examination under § 1.114.
- ☐ Within three months of the application filing date or before mailing of a first Office Action on the merits; accordingly, no fee or separate requirements are required.

Applicant would appreciate the Examiner initialing and returning the Form PTO-1449, indicating that the information has been considered and made of record herein.

The information contained in this Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 393032024510. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
